What is an Eligible Expense?

Expenses must be incurred while the Policy is in force and the person is covered by the Policy. To be an Eligible Expense, the dental services must be performed by: • A licensed Dentist acting within the scope of his license; • A licensed Physician performing dental services within the scope of his license; or • A licensed dental hygienist acting under the supervision and direction of a Dentist.

When is an Eligible Expense considered incurred?

An Eligible Expense is considered incurred on the following dates: • For full and partial dentures — on the date the final impression is taken. • For fixed bridges, crowns, inlays and onlays — on the date the teeth are first prepared. • For root canal therapy — on the date the pulp chamber is opened. • For periodontal surgery — on the day surgery is performed. • For all other services — on the date the service is performed.
